FCRC Selects Thomas Homan as Guest Speaker

MALONE, NY-The Franklin County Republican Committee (FCRC) has announced Thomas Homan as their guest speaker for their First Annual FCRC Lincoln Day Dinner on Saturday, February 9, 2019. The event will be held at the Malone Amvets, starting at 5:00pm.

Thomas, currently a Fox News contributor and former Acting Director of Immigration and Customs Enforcement (ICE), is a Presidential Rank Award recipient during the Obama Administration which honored Thomas as a high-performing senior career employee for "sustained extraordinary accomplishment" in his field of expertise.

"We are excited to have Thomas come speak at our event not only because he is such a great speaker from New York State, but also due to the service and support he has offered and continues to offer our Border Patrol Agents, Immigration & Custom Agents and his ability to express nationally our need for border security," says Shelly Mulverhill, Chairwoman of the FCRC. "We hope to have a wonderful evening of conversation, good food and gathering of great people."
